SLIDING GLASS BOARD ASSEMBLY PROCEDURE

Sliding Glass Board consist of the following Parts/Components.

1. Board in assembled condition. (Without glass and lock)
2. Left Glass (front) with hole for lock and screws with two glass runners.
3. Right Glass (back) with two glass runners.
4. Push Lock with key.
5. Lock Plate
6. Two numbers screws to fix lock plate with locks.
7. Allen keys.
8. Fixing Screws and Rawl Plugs.
9. Two numbers "L" Type wall mounting brackets.

Assembly Procedure.

Open carton and take out all the items as listed above.

Steps of Assembly

- STEP 1 :** First fix the board without glass on the wall with four screws and rawl plugs. Take left glass and assemble lock and lock plate by pushing lock from back side of the glass. Place lock plate on projected portion of the lock from front. Put two screws from front and fasten it with Allen Keys
- STEP 2 :** HOLD RIGHT glass in both the hands and place it on the back channel top side and then on bottom side. Glass size is kept in such a way that it can be easily placed in the back channel.
- STEP 3 :** HOLD LEFT glass in both the hands and first place it in front channel top side and then on bottom side.
- STEP 4 :** MARK the bottom line of the board and fix the two ("L" Bracket) support so that board can easily be mounted on the "L" Brackets & then fix the screen provided on the bottom frame.
- STEP 5 :** Place board on wall after screws and brackets are fixed.

GUIDE FOR CARE & MAINTENANCE OF WHITE MARKER / CHALK BOARDS

DRY ERASE MARKERS / CHALKS

All dry marker can be used on White Writing Boards but for best performance use solvent based markers.

NOTE: Some type of chalk are incompatible with chalk boards and may scratch the surface due to rough particles.

WHITE BOARDS / CHALK BOARDS

- A. Before using your Magnetic White / Chalk Board for the first time remove the protective films from the surface.
- B. Spray the Board with any Dry Board cleaner and wipe with a soft cloth or duster.
- C. Rinse with clear water. This step is simple but very important.
- D. Wipe with Dry Cloth.

EVERY DAY CARE

If your Board is used daily full cleaning should be done regularly. More thorough cleaning may be required if texts are left on the board formore than 2 days.

Periodic cleaning is recommended for problem free longevity of this Board.

A clean Board is a well prepared Board and a well prepared Board gives a well presented presentation.

DO NOT USE PERMANENT MARKERS

PERMANENT MARKERS INK CAN BE REMOVED BY ISOPROPYL ALCOHOL
